Snowbasin Resort is an all-season recreation resort, tucked perfectly behind Mount Ogden in beautiful Huntsville, Utah, about 35 miles from downtown Salt Lake City. Top rated by Ski Magazine in the categories of Service, On-Mountain Food, Lifts, and Grooming, the resort features 3,000 skiable acres and 3,000 vertical feet. The resort's 350 inches of annual snowfall is bolstered by 600 acres of snowmaking. The base elevation sits at 6,391 feet with a summit elevation of 9,350 feet, resulting in 2,959 of vertical drop – ensuring that all riders and skiers are fully entertained by this varied terrain. [VIDEO](#)

Snowbasin Resort is best known for wide-open bowls, gladed runs, manicured groomers, powder stash days after a storm, and excellent service. Consistently recognized as one of the best family resorts in North America, Snowbasin Resort is one of the oldest continuously operating ski resorts in the nation and host of the 2002 Olympic Games' Downhill, Combined, and Super G-races.

TRAVEL WITH PURPOSE

a specific number of rooms allocated. Please know that if rooms need to increase due to male/female break-out, this will affect the student costs.

- Winter Sports:** Ski/Board package includes 5-days of skiing/boarding with 5-hours of lessons daily for students. Staff package includes 5-day lift and rentals. Students may be beginners with no experience on snow, to an expert ability level, and will be grouped by experience. All students will participate under the tutelage of a winter sports instructor. Groups generally ski/board for 2.5-hours in the morning, have a lunch break, and then 2.5-hours in the afternoon. Teachers can enjoy the mountain while students are in classes.
- Instruction Size:** General clinics are 10-12 pupils of similar ability level. Snowboarders must have a minimum of 8 of similar ability to comprise a group. At times, boarders may be mixed with ski groups or included in general adult/family clinics. This is not guaranteed until arrival though, so pupils may be asked to switch to a ski instruction package.
- Equipment:** Equipment for the week is issued on-mountain and students/staff must care for and store their equipment nightly. For skiers, equipment includes skis, boots and poles; for boarders equipment includes boards and boots. Helmets are included for each person. Fitting of equipment (ski fit) will take place prior to the first morning's lessons, based on scheduling. Because our package is bundled, if anyone brings their own equipment, package discounts are not available.
- Transportation:** Motorcoach/shuttle transportation is provided to/from the resort daily plus all evening activities. We use airport transfer vehicles for the first and last days (entry/departure to/from Utah) so if you need to extend your usage time, please let us know and we will determine a specific rate based on your needs. During days 2 – 6, you have a full-time vehicle/driver assigned to your group.
- Meals:** Daily breakfasts are served at your hotel and include hot and cold options. Dinners are served via dine-around (meaning several local restaurants are used). Lunches are purchased on own, paid for independently in the base lodge or a number of on-mountain restaurant options. Lunch/snack/beverage budget while on-mountain should be approximately \$30 USD per person, per day.
- Evening Activities:** As part of the Snowbasin package, groups will have three or more general evening activities included such as a shopping night at a local mall, ice skating, Surf-n-Swim and Boondocks. We leave the evening of Day 2 open as the students are usually pretty tired from their first full day on the mountain coupled with altitude. If groups would like to add something, we suggest a cinema night, purchasing independent tickets.
- Extra Activities:** There are also a range of pay-to-play activities that may be added to your itinerary. These include [Utah Jazz](#) professional basketball, [Utah Grizzlies](#) semi-pro ice hockey, [Utah Bees](#) baseball (in spring), [College games](#) for basketball and baseball, [Temple Square](#) tour (complimentary), tons of museums and other activities in [Salt Lake City](#), [IFly Indoor Skydiving & Physics Class](#), [Hill Aerospace Museum](#), [Fly High Trampoline Park](#), a day excursion to [Antelope Island](#) before you fly out, or even extra days added in [St. George](#) to explore and hike our incredible Utah [National Parks](#). Let us know how we can set up your experience to be the very best!
- Insurance:** All groups are required to carry travel insurance. This may be purchased from any provider you select however it is a mandatory requirement of travel. If elected, groups are able to purchase this from our site during the registration process.

- Waivers:** Waivers are required for the ski resort, equipment rental and some activities in addition to our standard waiver. Waivers are not negotiable. If unsigned, the participant will not be allowed to travel nor participate in the tour. Waivers must be signed by the parent or legal guardian for any persons under the age of 18.
- Ambassador:** We provide an in-resort Tour Director for each of our traveling groups. Your Tour Director will meet you at the hotel and stay with your group during your time here.
- Gratuities:** As service positions earn their personal income from gratuities, it is customary for the group to tip their Tour Director, Ski Instructors and transportation providers. A standard gratuity is \$25 per person for Ambassadors; \$20 - \$30 for the 5-day span for Instructors; and a \$100 combined gratuity, per day, for bus drivers. Gratuities are usually distributed at the end of the ski week. Additionally, please advise your groups on appropriate tipping of waitstaff for any meal services that are not included in your itinerary such as lunches if they are dining at a location where they are served (not the base lodge cafeteria line).
